EDUCATION

Uttaranchal University
B. Tech in Computer Science
CGPA: 8.23

Dehradun, Uttarakhand
Expected Graduation, May 2025

PROFILE SUMMARY

Motivated and detail-oriented software engineering graduate with a solid foundation in computer science principles and hands-on experience in web and software development. Proficient in programming languages such as C++, Python, and JavaScript, and experienced with frameworks like React.js. Demonstrated ability to quickly learn and apply new technologies, with strong problem-solving and teamwork skills. Eager to contribute to innovative projects and develop high-quality software solutions.

PROJECTS

Personal Portfolio

July 2024

Tools: HTML, CSS, JavaScript

Developed a responsive portfolio website to professionally showcase personal information, skills, projects, and contact details. The website is designed to be user-friendly and accessible across various devices and screen sizes.

Responsibilities:

- Conceptualized and designed the overall layout and user interface.
- Developed and implemented responsive design to ensure compatibility with different devices.
- Integrated interactive elements and animations to enhance user experience.
- Deployed the website to a web hosting service and maintained its performance and updates.

TextUtils

June 2024

Tools: React.js

Developed a versatile text manipulation utility designed to count words and characters, perform various text transformations, and facilitate easy copying of manipulated text.

Responsibilities:

- Developed the front-end using React, ensuring a responsive design that works seamlessly across desktops, tablets, and mobile devices.
- Implemented real-time word and character counting functionality.
- Developed text transformation features, ensuring accurate and efficient processing.
- Integrated copy-to-clipboard functionality to enhance user productivity.

ACADEMIC ACHIEVEMENTS

- Earned a certification from Coding Ninjas in Basics of C++, demonstrating proficiency in Introduction to C++, Variable and data types, Input/Output in C++.
- Earned a certification of TCS iON Career Edge – Young Professionals from TCS iON.
- Earned a certification for organizing an event Treasure Hunt 2.0 on April 13, 2023.

SKILLS

Programming: C, C++, Java, Python, HTML5, CSS, JavaScript, MySQL, React.js

Tools: IntelliJ, PyCharm, Eclipse, Git, GitHub, Bootstrap, VS Code
